CIRCULAR TO SHAREHOLDERS

1. INTRODUCTION AND PURPOSE OF THIS CIRCULAR

1.1 Shareholders are referred to:

- 1.1.1 the circular to Shareholders dated 27 September 2018 relating to the Acquisition;
- 1.1.2 the announcement released by the Company on SENS on 27 March 2019 regarding the receipt of a termination notice from First Independent Power (Kenya) Limited and Global Power Generation Sociedad Anónima in respect of the Acquisition, owing to delays in achieving completion ("**the Notice**");
- 1.1.3 the announcement released by the Company on SENS on 10 April 2019, advising shareholders that the Board remained of the view that there are reasonable prospects of concluding the acquisition of a Viable Asset prior to AEP's financial year end, being 30 June 2019;
- 1.1.4 the circular to Shareholders dated 17 May 2019, relating to a prior request for an increase in the Company's permissible expenses, and the subsequent announcement released by the Company on SENS on 25 June 2019, advising that 99.48% of Shareholders had voted to approve the resolution authorising the Company to increase its permissible expenses;
- 1.1.5 the announcement released by the Company on SENS on 26 June 2019, advising Shareholders that the Company had made an application to the JSE to extend AEP's SPAC life, which was due to expire on 30 June 2019, as a result of the Board being of the view that the Company still has a reasonable prospect of concluding the acquisition of a viable asset, as the Company continues to engage with relevant stakeholders for the possible conclusion of the Acquisition; and
- 1.1.6 the announcement released by the Company on SENS on 31 July 2019, advising Shareholders that the JSE had granted a further extension to the Company's SPAC life to 30 September 2019.

- 1.2 AEP is listed on the AltX as a SPAC and was required, in terms of the Listings Requirements, to complete the acquisition of a Viable Asset within 24 (twenty four) months of its Listing ("Initial Period"), which date was 30 June 2019.

- 1.3 Despite delays in completing the Acquisition, which resulted in receipt of the Notice, the Board is of the view that the Company still has a reasonable prospect of concluding the acquisition of a Viable Asset by 30 September 2019. IberAfrica, the asset proposed to be acquired through the Acquisition, remains available for sale. The delay to closing the Acquisition had been owing to the raising of sufficient equity finance, which AEP has now advanced with interested equity investors who will be matched in a ratio of 49:51 by the PIC, based on the PIC Subscription Agreement.
- 1.4 With reference to the deadline of 30 June 2019, it became clear that the Company would not meet the timing in which to complete the Acquisition within the Initial Period, but that the completion of the Acquisition remained imminent, and accordingly the Company approached the JSE for an extension of the Initial Period in accordance with paragraph 4.35(a) of the Listings Requirements.
- 1.5 In the event that the Acquisition is not completed within the extension granted, the Company will follow the process set out in paragraph 4.37 of the Listings Requirements, for the voluntary liquidation of the SPAC.
- 1.6 Subsequently, the Board has resolved as follows:
- 1.6.1 that significant value is available to AEP should it complete the acquisition of a Viable Asset by 30 September 2019;
- 1.6.2 that it is in the best interest of Shareholders and is the duty of the Board to pursue such value, and seek to successfully conclude a Viable Acquisition; and
- 1.6.3 to request the approval of Shareholders for an increase of AEP's Permissible Expenses to enable the Company to utilise its existing cash resources in concluding the acquisition of a Viable Asset.
- 1.7 The purpose of this Circular is to provide Shareholders with an overview of the increase in the Permissible Expenses of the Company so as to enable Shareholders to make an informed decision as to whether or not they should vote in favour of the Resolution.

2. PERMISSIBLE EXPENSES

- 2.1 AEP estimated in the circular to Shareholders dated 17 May 2019, (which resolution was approved by Shareholders on 6 June 2019), that the following total revised Permissible Expenses to be incurred by the Company would be R45 395 999 as detailed in the table below.
- 2.2 It is now envisaged that further costs associated with concluding the acquisition of a Viable Asset, particularly that the Company will run for a longer period than anticipated when the previously revised Permissible Expenses were forecast, being to 30 September 2019. Therefore, a new revised total of R49 280 260 is proposed:

Nature of Cost	Approved (ZAR) – May 2019	Proposed (ZAR)
Listing costs	7 426 793	7 426 793
Annual listing fees	418 988	441 630
Cost associated with acquisitions	14 083 048	15 496 694
Ongoing Sponsor fees	331 124	378 269
Company Secretary fees	600 000	675 000
Audit fees	784 995	984 995
Rental	527 473	730 395
Travel	279 832	280 588
Salaries	11 050 746	11 879 985
Management fees	3 600 000	4 030 000
Directors' fee	1 995 000	2 121 000
Other running costs	4 298 001	4 834 911
Total	45 395 999	49 280 260

A fixed management fee of R150 000 per month is payable prior to AEP completing an acquisition of a Viable Asset. Per the Prospectus, this amount would escalate annually at a rate equal to the consumer price index. Following the acquisition of a Viable Asset, the management fee will be calculated in accordance with the formula set out in the Prospectus.

- 2.3 The revised Permissible Expenses, which is an increase of R3 884 261 over the previous amount approved, is a provision for future expenses to be incurred. The Company did not expend the revised total of R45 395 999 by 30 June 2019 and a portion of that amount remaining has been spent in July 2019, with the balance to be spent in August 2019.
- 2.4 In accordance with the Listings Requirements, the Company may not exceed the Permissible Expenses unless a Shareholders' resolution is passed by achieving a 75% majority of the votes cast to that effect.

3. **DIRECTORS' RESPONSIBILITY STATEMENT**

The Directors of the Company, whose names are given in the "Corporate Information" section of this Circular, collectively and individually, accept full responsibility for the accuracy of the information given and certify that, to the best of their knowledge and belief there are no facts that have been omitted which would make any statement false or misleading, and that all reasonable enquiries to ascertain such facts have been made and that the Circular contains all information required by law.

 - 4.1 the appointment is suspended at any time and to the extent that the Shareholder chooses to act directly and in person in the exercise of any rights as a Shareholder (section 58(4)(a));
 - 4.2 the appointment is revocable unless the proxy appointment expressly states otherwise (section 58(4)(b)); and
 - 4.3 if the appointment is revocable, a Shareholder may revoke the proxy appointment by cancelling it in writing or by making a later inconsistent appointment of a proxy and delivering a copy of the revocation instrument to the proxy and to the Company (section 58(4)(c)).
5. The revocation of a proxy appointment constitutes a complete and final cancellation of the proxy's authority to act on behalf of the Shareholder as of the later of the date stated in the revocation instrument, if any, or the date on which the revocation instrument was delivered as contemplated in paragraph 4.3 above (section 58(5)).
6. If the proxy instrument has been delivered to a company, as long as that appointment remains in effect, any notice required by the Companies Act or the Company's MOI to be delivered by the Company to the Shareholder must be delivered by the Company to the Shareholder (section 58(6)(a)), or the proxy or proxies, if the Shareholder has directed the Company to do so in writing and paid any reasonable fee charged by the Company for doing so (section 58(6)(b)).
7. A proxy is entitled to exercise, or abstain from exercising, any voting right of the Shareholder without direction, except to the extent that the MOI or proxy instrument provides otherwise (section 58(7)).
